5 Seconds Of Summer, Valentine

dum /12x
I love the light in your eyes
and the dark in your heart
you love our permanent chase
and the bite of our bark
we know we're classic together like Egyptian gold
we love us

it don’t matter be combative or be sweet cherry pie
it don’t matter just as long as I get all you tonight

I can take you out
we can kill some time stay home
throw balloons
teddy bears
and the chocolate eclairs away
got nothing but love for you
fall more in love everyday
valentine /2x

so deep
your DNA’s being messed with myt touch
can’t beat us
se real
fueling the fire until we combust
can’t touch us

it don’t matter be combative or be sweet cherry pie
it don’t matter just as long as I get all you tonight

I can take you out
we can kill some time stay home
throw balloons
teddy bears
and the chocolate eclairs away
got nothing but love for you
fall more in love everyday
valentine /2x

full plate
don’t wait
have your cake and eat it too
full plate
don’t wait
have your cake and eat it

I can take you out
we can kill some time stay home
throw balloons
teddy bears
and the chocolate eclairs away
got nothing but love for you
fall more in love everyday
