2 Chainz, PROUD ft. (YG, Offset)

true University i pull
it up and murk a beat
momma’s house was filled
up with bags of Hercules
as soon as I finish
passing I put the seat down
or my momma gonna
curse my damn ass out
only child
no sisters no besties
I could n’t do
nothing right like a lefty
bought my momma’s first
house with the Jugg money
bought my momma’s second
house with the club money
me and mamma used to
trap ut the same house
used to eat and go to sleep
on the same couch
me and momma got busted
at the same time
went to court and told Judge
the damn same lies ;)
I can tell momma
proud od her only son
2 Chainz I always
have worn more than 1
I’m real
I’m ill
you know you gotta feel
you popping pills
I’m rarer than 2 dollar bills
I’m just tryna make my momma proud
I ain’t tryna let my momma down
I’m just tryna make my momma proud
I ain’t tryna let my momma down
my momma
ain’t raise no ho
my momma
ain’t raise no ho
my momma
ain’t raise no ho
my momma
ain’t raise no ho
