Adele, Remedy

The river is too wide or too deep for me to swim to you
Come whenever I'll be the shelter that won't let the rain come through
Your love is my truth
And I will always love you
Love you,

When the pain cuts you deep
When the night keeps you from sleeping
Just look and you will see
That I will be your remedy
When the world seems so cruel
And your heart makes you feel like a fool
I promise you will see
That I will be, I will be your remedy

When the pain cuts you deep
When the night keeps you from sleeping
Just look and you will see
I will be, I will be
When the world seems so cruel
And your heart makes you feel like a fool
I promise you will see
That I will be, I will be your remedy
