Agnieszka Smoleń, Love Me Anyway

even if you see my scars
even if I break your heart
if we’re a million miles apart
do you think you’d walk away?

if I get lost in all the noise
even if I lost my voice
flirt whit ll the other boys
what would you say?

could you
could you
could you love me anyway ?

i sit for better or for worse
or am I just your good time girl
can you still hold me when it hurts
or would you walk away
even if I scandalize you
cut you down and criticize you
tall a million lies about you
what would you say

could you
love me anyway
could you
pick up the pieces of me
could you
still love me

could you
love me anyway
could you
pick up the pieces of me
could you
still love me

could you
could you
could you love me anyway ?
