A7S, Nirvana

You took me to a
A state of mine
Yeah, yeah
A place i never thought i’d find
Yeah, yeah

Believe me
I would never die
I am not givin’ you up
I am not givin’ you up

I am gettting higher and higher
The skies are fallin’
Desire /2x
The fire within
Burn brighter and brighter
Your hands on my skin
And I

I never felt this way before
My love
You give me feelings
Don’t you ever stop
I know addictions can be dangerous
I I am not givin’ you up
I am not givin’ you up

You’re mu nirvana
Nanananananna
You’re mu nirvana
Nanananananna
You’re mu nirvana
Nanananananna
You’re mu nirvana
Nanananananna
You’re mu nirvana
