Adam Lambert, Closer To You

sorry it’s late
i know i missed your call again
been tryin to change
got stuck in my ways again
I been fellin faded
disconnected lately
missing what money can’r buy
all I wanna do is be brand new
I swear I’ll ggive it all up just for you

and I would sink my house down under water
I would trade all my gold for dirt
lemme tell ya right now
I would walk thru fire just to hold ya
whatever gets me closer to you
whatever gets me closer to you

(zwr. 2)

and I would sink my house down under water
I would trade all my gold for dirt
lemme tell ya right now
I would walk thru fire just to hold ya
whatever gets me closer to you
whatever gets me closer to you

(zwr. 3)

and I would sink my house down under water
I would trade all my gold for dirt
lemme tell ya right now
I would walk thru fire just to hold ya

whatever gets me closer to you
whatever gets me closer to you
