Anitta, Girl From Rio

Hot girls, where i am from
We don’t look like models
Tan lines, big curves
And the Energy glows
You’ll be fallin on love
With the girl from Rio

Let me tell you about a different Rio
The one i am from
But not the one that you know
The one you meet when you don’t have no real
Baby, it;s my love affair
It’s my love affair
Jsut found out i have another brother
Same daddy, but a different mother
There’s something that i always wanted
Baby, it’s a love affair, it’s a love affair

I got /4x
It turns in my blood
I love it /4x
You alredya know
I take my dozen
I am looking /3x
You know
It’;s my love affair

Hot girls, where i am from
We don’t look like models
Tan lines, big curves
And the Energy glows
You’ll be fallin on love
With the girl from Rio
Vai malandra
Gringo canta
Todo Mundo canta
Hot girls, where i am from
We don’t look like models
Tan lines, big curves
And the Energy glows
You’ll be fallin on love
With the girl from Rio

But the streets jhave rised me on favela
Baby, it’s my love affair, it’s my love affair

Cause i am cold liek winter, hot like summer
