

# A. Owczarczyk & P. Szymlek, Dancing On My Own

Somebody said: "Go for a new friend"  
Does she love you better than I can?  
Yes, I know it's stupid  
I just gotta see it for myself  
I'm in the corner, watching you kiss her  
I'm right over here, why can't you see me  
I'm not the guy you're taking home  
I keep dancing on my own

I'm just gonna dance all night  
I'm all messed up  
And I'm so out of line  
Stilettos and broken bottles  
I'm spinning around in circles  
I'm giving it my all  
But I'm not the guy you're taking home  
I keep dancing on my own

So far away but still so near  
The lights go on, the music dies  
But you don't see me standing here  
I just came to say goodbye  
I'm in the corner, watching you kiss her  
I'm giving it my all  
But I'm not the guy you're taking home  
I keep dancing on my own

Sit down in the corner, watching you kiss her  
I'm right over here, why can't you see me  
I'm not the guy you're taking home  
I keep dancing on my own

So far away but still so near  
The lights go on, the music dies  
But you don't see me standing here
