Alexandra Stan, I Think I Love It

baby tell me something why you so lit
so legendary like a diamond in the rough
simply no comparing we so legit
don’t keep me waiting that shit took you long enough

and I dreaming, or I lost my mind
not saying I ain’t lucky but I am feeling cloud 9
gave me something that I never had before

you give me good thrills
I am feeling alright
keep the fire burning
and I am feeling alive

I think I love it
I think I love it
I think I love it
I think I love it

you give me good thrills
I am feeling alright
keep the fire burning
and I am feeling alive

I think I love it
I think I love it
I think I love it
I think I love it

if you say the word, then I am ready
one touch form you it gets me crazy in love you know
let me be your R&b or reggae
lush keep it saucin’
imam let you know

and I dreaming, or I lost my mind
not saying I ain’t lucky but I am feeling cloud 9
gave me something that I never had before

you give me good thrills
I am feeling alright
keep the fire burning
and I am feeling alive

I think I love it
I think I love it
I think I love it
I think I love it

you give me good thrills
I am feeling alright
keep the fire burning
and I am feeling alive

I think I love it
I think I love it
I think I love it
I think I love it
