Anderson .Paak, CUT EM IN (feat. Rick Ross)

CUT EM IN

Okay!
Sometimes you need a friend
Not the ones that just show up and don’t put nothin; in
You know
The ones that lend a hand and wanna see you win
When you come up on a lick
Make sure you cut ‘em in
cut ‘em in
and then, uh

Sometimes you need a friend
you need a foe
on that keep yoour eyes open
keep your on your toes
keep your on your toes
you know the ones
that wanna keep you where you been before
been before
bt i can’t go
no i can’t go!
No i can’t go!
No i can’t go!
And whoa, uh!
