Ali Gatie, I'm Sorry

Is it too late to say I'm in love and to say I'm sorry?
'Cause I'm so sorry

I'm re-livin' the memories 'cause I know that we're meant to be
I know I should set you free, but you belong with me
I know I've done you wrong, regrets are hell of a drug
I hope I can win you back, just one more time to tell you

I've been up, been up, night 'til the morning
Would you pick up if I started callin' you
If I started callin' you? (Callin' you, call)
Before we split up, split up, just one final warning
I care enough to make sure you know I do
I just wanna be with you (Be with you)

Is it too late? Would it be wrong to say I'm in love and to say I'm sorry?
Know I gave in, know I gave up, wish you would hear my side, my story
Am I too late? Did you move on? Find somebody else that's worth your lovin'?
Is it too late to say I'm in love and to say I'm sorry?
'Cause I'm so sorry

I know I made mistakes, regret them every day
Know I pushed you away, but now I need you to stay (Stay)
If I'm not the only one left with a broken heart
I hope we find a way, I hope we find a way

I've been up, been up, night 'til the morning
Would you pick up if I started callin' you
If I started callin' you? (Callin' you, call)
Before we split up, split up, just one final warning
I care enough to make sure you know I do
I just wanna be with you (Be with you)

Know I gave in, know I gave up, wish you would hear my side, my story
