Ashnikko, Slumber Party (ft. Princess Nokia)

[Verse 1: Ashnikko]
I'm not shy, I'll say it
I've been picturing you naked
I'm a little faded
You look like a fuckin' paintin'
Big doe eyes, amazin'
She's everything I've been prayin'
My heart palpitations
She looks like the type to break it

[Chorus: Ashnikko]
Me and your girlfriend playin' dress up in my house
I gave your girlfriend cunnilingus on my couch
She cute, kawaii, hentai boobies, that excites me
I think she really likes me, ask politely, can I (Woo-hoo-ooh)

[Post-Chorus: Ashnikko]
(Ooh, ooh, ooh) Slumber party
(Ooh, ooh, ooh) Slumber party
(Ooh, ooh, ooh) Slumber party
(Ooh, ooh, ooh) Slumber party

[Verse 2: Princess Nokia]
Uh, it's getting hot in here
I'm the Nelly in the party
With some rocks for ears (So hot in here)
I'm a slave for you, baby, miss Britney Spears
I'm a Clover, she a Toros, bring it on for cheers
And I'm sexy like Christina when I dip it low
Not an H-town girl, but I rodeo
Yippee-ki-yay, welcome to the show
It's an all-girl party, clothing-optional

[Chorus: Ashnikko]
Me and your girlfriend playin' dress up in my house
I gave your girlfriend cunnilingus on my couch
She cute, kawaii, hentai boobies, that excites me
I think she really likes me, ask politely, can I (Woo-hoo-ooh)

[Post-Chorus: Ashnikko]
(Ooh, ooh, ooh) Slumber party
(Ooh, ooh, ooh) Slumber party
(Ooh, ooh, ooh) Slumber party
(Ooh, ooh, ooh) Slumber party

[Verse 3: Ashnikko]
My girl look like Wednesday Addams
Eyes go black when she orgasms
Hide your back, she likes to stab them
My butt cheeks, she likes to grab
Matching pajama birthday suits
Her spit tastes just like Juicy Fruit
She do that thing she usually do
Spell my name with her tongue, like uh-huh

[Chorus: Ashnikko]
Me and your girlfriend playin' dress up in my house
I gave your girlfriend cunnilingus on my couch
She cute, kawaii, hentai boobies, that excites me
I think she really likes me, ask politely, can I (Woo-hoo)

[Post-Chorus: Ashnikko]
(Ooh, ooh, ooh) Slumber party
(Ooh, ooh, ooh) Slumber party

(Ooh, ooh, ooh) Slumber party
(Ooh, ooh, ooh) Slumber party

[Outro: Ashnikko]
I'm shy
I'm so shy
Hahahaha
