Andrea Bocelli, Return To Love ft. Ellie Goulding

quando e che ho spent oil cuore
che ho smesso di sognare
un nuovo amor

il dubbio dentro me
e ho smess di sperare
ma a un tratto tu

risvegli nel profondo
un fuoco che mi accande

I return to love e rischiero
per regalarti il mondo
and I return to love e rischiero
per costruire un sogno

one more time

who cares about the past
who knows about tomorrows
lamore e adesso

and maybe this won’t last
maybe this moment all we have
left’s find out

and though I’m still afraid
you’re worth a leap of faith

I return to love and risk it all
to see the world that we make
I return to love and take the fall
as if my heart cannot break

one more time

here and now
up against the edge
promise me you won’t look down
one foot off the ledge

take my hand and show me
how to love again

and I return to love and risk it all
per regalarti il mondo
and I return to love and take the fall
per costruire ancora

one more time
