Ali Gatie, If I Fall In Love

It feels like magic
It feels like magic
If i
It feels like magic

If i fall in love
Whit you
Then it’s be magic

And if you gave me a Chance
Then i could prove
What i’ve been planning

(zwrotka – lyric wideo)

If i fall in love
Whit you
Then it’s be magic

And if you gave me a Chance
Then i could prove
What i’ve been planning

If i fall in love
Whit you
Then it’s be magic

And if you gave me a Chance
Then i could prove
What i’ve been planning

I can’t lose you
No, no, no
Girl I can’t lose you
No, no, no
Girl I can’t lose you
No, no, no
