

Adam Kalinowski, Natural

well, you hold the line
when every one of them is
giving up or giving in
tell me
in this house of mine
nothing ever comes without a consequence or cost
tell me
will the stars align?
will heaven step in?
will it save us from our sin?
will it?
cause this house of mine stands strong

that's the price you pay
leave behind your heartache
cast away
just another product of today
rather be the hunter than the prey
and you're standing on the edge
face up
cause you're a ... natural
a beating heart of stone
you gotta be so cold
to make it in this world
yes, you're a natural
living your life cutthroat
you gotta be so cold
yes, you're a natural

will somebody
let me see the light within the dark
trees' shadows and what's happening?
looking through the glass find the wrong within the past knowing
oh, we are the youth
call out to the beast
not a word without the peace
facing a bit of the truth, the truth

that's the price you pay
leave behind your heartache
cast away
just another product of today
rather be the hunter than the prey
and you're standing on the edge
face up
cause you're a ... natural
a beating heart of stone
you gotta be so cold
to make it in this world
yes, you're a natural
living your life cutthroat
you gotta be so cold
yes, you're a natural

deep inside me
I'm fading to black
I'm fading it
took an oath by the blood of my hand
won't break
I can taste it
the end is upon us
I swear gonna make it
I'm gonna make it

natural
a beating heart of stone
you gotta be so cold
to make it in this world
yes, you're a natural
living your life cutthroat
you gotta be so cold
yes, you're a natural
