

# Adam Kalinowski, Someone You Loved

I'm going under and this time I fear there's no one to save me  
This all or nothing really got a way of driving me crazy  
I need somebody to heal  
Somebody to know  
Somebody to have somebody to hold  
It's easy to say but it's never the same  
I guess I kinda liked the way you numbed all the pain  
Now the day bleeds, into nightfall and you're not here, to get me through it all  
I let my guard down and then you pulled the rug  
I was getting kinda used to being someone you loved

I'm going under and this time I fear there's no one to save me  
This all or nothing really got a way of driving me crazy  
I need somebody to heal  
Somebody to know  
Somebody to have just to know how it feels  
It's easy to say but it's never the same  
I guess I kinda liked the way you help me escape  
now the days bleeds into nightfall  
and you're not here, to get me through it all  
I let my guard down and then you pulled the rug  
I was getting kinda used to being someone you loved

and I tent to close my eyes when it hurt  
sometimes I fell into your arms  
I'll be safe in your sound, til I come back around  
for now the days bleeds into nightfall  
and you're not here, to get me through it all  
I let my guard down and then you pulled the rug  
I was getting kinda used to being someone you loved  
but the days bleeds into nightfall  
and you're not here, to get me through it all  
I let my guard down and then you pulled the rug  
I was getting kinda used to being someone you loved
