Alicia Keys, Show Me Love

Show Me Love
treat me like me freaking on the weekend
Show Me Love
I eat up the second times and reasons for your love
this is not the season
for nobody else but us
I always get wrapped up in you baby
I am in love
we won’t get this lovin’
like we never done it
baby I am in love
go ahead
show me love
like we never done it
uuu I got you running
every time I give you some

Show Me Love
love
Show Me Love
love

Show Me Love
you see red loghts
you crashed in it like
a deer inside of headlinghts
I show you love like
it was passionate
I just wanna bask in it
winning like a championship
you gonna show me love like
like you tried it
and denied it
but still let me apply t
like I made you put your ties in
show me love
even when you don’t got time to
I’ll be there to find you
I’ll remind you

Show Me Love
