Adam Levine, Good Mood

You make me dance
You got my heart
Beatin rhythm when you move
Sdon't need no plans
Feelin loose
Like there's a rainbow of mmagic next to you

When it's good
When it's bad
You got me

Nor alone in this town
Cause you make me feel
Anytime tha i call
You'll be ready

Anytime
Anytime
Abd when i turn around
I see you there
You got a way to make a problem disappear
up to the clouds
i am spinning around
and now i know why

casue no one in this world can make me feel loved
in the way that you do now
no, no on ein this world can make me come down
when ia this so good
good mood, now
