Bella Thorne, Shake It

watch me move
watch me shake it
watch me move
watch me shake it
watch me break it
watch me move while she shakin’
and she break it
and she make it
and she naked
it’s a banger

What it do?
She’s a baddie
Id she make it clap
Make it clap
Then it’s back, and it’s taht
And i cna swing it to the side
See if you can ride
I can be al lup in tyour insides

Wifey, material
I can meke you my brode
Oh, shit
I din’t know she was tour bitch
I am sorry
H ah , i lied
Is she want a good fuckin’
I’ll provide
Rockin’ in the Uber, roadside
I dropped her off and i nevr replied
And i like all kinds of bitches, miss
Fuckin’ worldide ,
That’s right, bitch

She move it fast,
She move it slow
Let me see how low it can go
She shake it fast
She skake it slow
Let me see how far you can go
She move it fast,
She move it slow
Let me see how low it can go
She shake it fast
She skake it slow
Let me see how far you can go

watch me move
watch me shake it
watch me move
watch me shake it
watch me break it
watch me move while she shakin’
and she break it
and she make it
and she naked
