

Adrian Burek, I Feel Like I'm Drowning

you keep dreaming and dark scheming
you do
you're a poison and I know that is the truth
all my friends think you're vicious
and they say you're suspicious
you keep dreaming and dark scheming
you do

I Feel Like I'm Drowning
I'm Drowning
you're holding my down and
holding my down
you're killing me slowly
so slow
I Feel Like I'm Drowning
I'm Drowning

you're so plastic
and that's tragic
just for you
I don't know what the hell you gonna do
when your looks start depleting
and your friends all start leaving
you're so plastic
and that's tragic
just for you

I Feel Like I'm Drowning
I'm Drowning
you're holding my down and
holding my down
you're killing me slowly
so slow
I Feel Like I'm Drowning
I'm Drowning

my life's ok
just when you're not around me
my life's ok
just when you're not around me
my life's ok
just when you're not around me

I Feel Like I'm Drowning
I'm Drowning
you're holding my down and
holding my down
you're killing me slowly
so slow
I Feel Like I'm Drowning
I'm Drowning
