Au/Ra, Alan Walker, Ghost (utwór z "Death Stran

today i am kinda feeling like a ghost
call my friends but ain’t nobody home
tell myself I am fine
but I don’t really know

I am just scared that I’ll end up
I’ll end up
I’ll end up
alone

I never let it show
but I feel like a missed call on a phone
tryna live my life pay as toyou go

but I am so scared that I’ll end up
I’ll end up
I’ll end up
alone
