Avicii, Believe (ft. Ariana Grande)

Being love is alive every minutes
Don’t you stop
Looking up
Sky is the limit
So don’t stop coz
We’ve got so much more to live

When the week over come
Forever I’ve been pushing on
It’s anxiety

__
Jus believe

Believe
Believe

When you are
In darkness place
Help me feel that way
Reach for shooting star

__
We can me like a work of art
__ live our __
Crash into broken past
And tell

When the week over come
Forever I’ve been pushing on
It’s anxiety

__
Jus believe
