AlunaGeorge, Not Above Love

I don’t usually go all in, babe
But you’re a hum that IU had to play
And you took me all the way
Make me lose more than I could win, babe
And I really need to let you know

I’m not above love
I just run out of it
I’m not above love
So it’s not like I don’t care
And I know you’re thinking the worst of me
But I hope one day you’ll see
I I’m not above love
I just run out of it

You keep robbing my heart like a bank
And I only got myself to blame
You keep robbing my heart like a bank
No, thank you /2x

I’m gonna call you in
Cuz you’re taking everything
You keep robbing my heart like a bank
No, thank you /2x

I don’t usually overdose
But you’re a drug that I had to take
Another fix
I couldn’t wait
Now the edge is far too close
So I really need to let you know

You keep robbing my heart like a bank
And I only got myself to blame
You keep robbing my heart like a bank
No, thank you /2x

I’m gonna call you in
Cuz you’re taking everything
You keep robbing

You took me to a place so far here
You took me to another atmosphere
But I got so high
I couldn’t breath
And I’ve been holding
Holding /5x

You keep robbing my heart like a bank
And I only got myself to blame
You keep robbing my heart like a bank
No, thank you /2x

I’m gonna call you in
Cuz you’re taking everything
You keep robbing
