Bobby Raps and Corbin, the depths

[Verse 1: Corbin]
I'm alright, now I'm down so low
Heat my skin, begin my toll
Wait till you see my glow
Oh, oohh, ready for it?
I've been movin', movin' til that hindrance
Copin' to even exist till I flip that thing
I tried, I tried, tried

[Verse 2: Bobby Raps]
Until the illusion, keep myself distracted
Come to the conclusion, don't feel satisfaction
That's why I don't get my hopes up
So I don't get disappointed
In it for the long haul
I just wish I could enjoy it
Hard to believe in the Garden of Eden
When a daughter of demons swallow my seed
And then vomit repeatedly
What if all this is just a waste of time?
Hell is just outside, Heaven's just a state of mind

Seeing you eat at the table

[Hook: Bobby Raps]
Don't know why I feel so strange
Everything has changed from what it once was
Things change, change, change, things change, ch-change
Things change...

[Verse 3: Corbin]
Close my eyes, I'll take this pain
To underneath her veins, as it once was
Just like it was once was

[Verse 4: Bobby Raps]
Fuck what you said (fuck)
There is something in my head (fuck)
Permanent valley, I dread (fuck)
Walking around, I'm drowning
I'm down in the depths, there ain't no part of me left (no)
Blame it on my chemical imbalance
Probably cause I'm smokin' mids
Feel like I'm already dead, bitch I am already dead

[Silence]

[Verse 6: Corbin]
See I don't need the false hope
(Will I win the battle? I don't know)
