Andrea Bocelli, Matteo Bocelli, Fall On Me

i thought sooner or later the lights up above
will come down in circles
and guide me to love
but I don’t know what’s right for me
I cannot see straight
I’ve been here too long and I don’t want to wait for it
fly like a cannonball
straight to my soul
tea me to pieces
and make me feel whole
I’m waiting to fight for it
and carry this weight
but with every step
I keep questioning what it’s true

fall on me
with open arms
fall on me
from where you are
fall on me
with all your light /3x

presto una luce ti illuminera
seguil asempre, guidarti sapra
tu non arrenderti, attento a non perderti
e il tuo passato avra senso per te
vorrei che credessi in te stesso, ma si
in ogni passo che muoverai qui
e un viaggio infonito
sorridero se
nel tempo che gugge mi porti con te

fall on me
with open arms
fall on me
from where you are
fall on me
with all your light /3x

I close my eyes
and I’m seeing you everywhere
I step outside
it’s like I’m breathing you in the air
I can feel you’re there

fall on me
ascoltami
fall on me
abbracciami
fall on me
with all your light /3x
