

Alan Walker, Diamond Heart (feat. Sophia Somaj)

hello, sweet grief
i know you'll be the death of me
you're like the morning every ecstasy
I came drowning in the night light sea

hello, old friend
he's the misery that knows no end
so I'm doing everything I can
to make try another love again

I wish then I did not know
where all broken lovers go
I wish that my heart was made of stone

if I was bulletproof
I'd love you black and blue
if I was solid like a jewel

if I had a diamond heart
I'd give you all my love
if I was unbreakable

if I had a diamond heart
you could shoot me with a gun of gold
if I was unbreakable

I'd walked straight through the bullet
bendin' like a tulip
blue-eyed and foolish
never mind the bruises
into the fire
breaking through the wires
give you all I've got

if I had a diamond heart

I'd walk straight through the dagger
never break the pattern
diamonds don't shatter
beautiful and batters
into the poison
cry out an ocean
give you all I've got

if I had a diamond heart

goodbye, so long
I don't know if this is alright or wrong
am I giving up where I belong?
cause every station is playing our song

goodbye my love
you are everything my dreams are made of
you'll be prince and I'm the crying dove
if I only were unbreakable

I wish then I did not know
where all broken lovers go
I wish that my heart was made of stone

if I was bulletproof
I'd love you black and blue
if I was solid like a jewel

if I had a diamond heart
I'd give you all my love
if I was unbreakable

if I had a diamond heart
you could shoot me with a gun of gold
if I was unbreakable

I'd walked straight through the bullet
bendin' like a tulip
blue-eyed and foolish
never mind the bruises
into the fire
breaking through the wires
give you all I've got

if I had a diamond heart

I'd walk straight through the dagger
never break the pattern
diamonds don't shatter
beautiful and batters
into the poison
cry out an ocean
give you all I've got

if I had a diamond heart
