

Alan Walker & Georgia Ku, Don't You Hold Me Down

Don't you hold me down
Don't you hold me down

I've been feeling all the pressure
I'd been looking for a sign
I don't love you any lesser
I just need a little time

I'm sorry but for real
Don't wanna be tied up
Don't wanna feel too much
There's things I wanna do
No don't

Don't don't you hold me down

I've been waiting for a lifetime
I don;t wanna miss a Chance
All my visions coming to life
And you know i got bigger planes

I'm sorry but for real
Don't wanna be tied up
Don't wanna feel too much
There's things I wanna do
No don't

Don't you hold me down
Don't you hold me down
