Borgore and Doctom, Nope ft. ShayGray

We said one drink
but woke up in the morning and I can't remember shit
I only party in the worst way
3 days in a row
and today is only thursday

and today is only thursday

Lying to myself but it's more like a joke
I know I should ain't it but I feel so dope
people try to (push me and I tell them all coke)
getting really wouldn't really give a fuck Nope
