

Alan Walker, Strongest (feat. Ina Wroldsen)

you sit here with that look on your face like you won
like nothing that I say is gonna change how you feel now
you sit there and you tell me you fell outta love
and we are in your way so you just gotta leave now
and we just need to I understand your reason
and you are gonna justify this treason
by telling me the promises that we sworn ain't enough

so now you gonna be another person
and how do I explain this shit to our son?
how'd you tell a toddler about a girlfriend
daddy's gone!

well, i will be the strongest that he ever knew
and I will be there when he needs a love strong enough
don't worry I will carry tou for us
no matter how bad the storm
I will be strongest that he ever knew
and we'll leave you alone

you sit there wth your phone in your hands and you're hurt
you tell me that you feel like you lost me when he came
I am sorry but i cannot with your words
cause right now what matters isn't yours but it is his name
and we just need to find another income
cause she wants you help her with her won one
and you want me to me that what you've done is ok

so now you gonna be another person
and how do I explain this shit to our son?
how'd you tell a toddler about a girlfriend
daddy's gone!

well, i will be the strongest that he ever knew
and I will be there when he needs a love strong enough
don't worry I will carry tou for us
no matter how bad the storm
I will be strongest that he ever knew
and we'll leave you alone
