Daria Reczek, River

Like a river, like a river, shut
Like a river, like a river, shut
Like a river, like a river
Shut your mouth and run me like a river

How do we fall in love
Harder than a bullet could hit you?
How do we fall apart
Faster than a hair pin trigger?

Don't you say, don't you say
Don't say, don't you say
One breath, it'll just break
So shut your mouth and run me like a river

Shut your mouth, baby stand and deliver
Holy hands, would they make me a sinner?
Like a river, like a river
Shut your mouth and run me like a river
Choke this love till the veins start to shiver
One last breath till the tears start to wither
Like a river, like a river
Shut your mouth and run me like a river

Tales of an endless heart
Curses is the fool who's willing
Can't change the way we are
One kiss away from killing

Don't you say, don't you say
Don't say, don't you say
One breath it'll just break
So shut your mouth and run me like a river

Shut your mouth, baby stand and deliver
Holy hands, would they make me a sinner?
Like a river, like a river
Shut your mouth and run me like a river
Choke this love till the veins start to shiver
One last breath till the tears start to wither
Like a river, like a river
Shut your mouth and run me like a river
