Ava Max, On Somebody

heartbreak
heartbreak is a motherfucker
i know /2x
but I found a way to deal through
deal through
it took work to get wheels are moving on
wheels are moving on
can’t stay /2x
on a user lover
you thought /2x
it too work to get these feelings tuning off
feelings tuning off

oh my, my, my, my, my
I see you moving side to side
2 hands on you that aren’t mine
you never know how much you’re on somebody
til they’re on somebody’s else
so my, my, my, my
I wish eyes knew how to lie, lie, lie
you never know how much you’re on somebody
til they’re on somebody’s else
