D.A.R.K., Watch Out

something dark in your heart
winks at me with a smile
simply wrong form the start
can’t control this desire

we’ve lost the war
the less is more
and on and on
this demon is taking measures

Watch Out
I’m bleeding
Watch Out
I’m bleeding
This time I’m leaving
Running form you
This time I’m leaving
something cruel in your eyes
….
we committed a crime
and we have to pay

we’ve lost the war
the less is more
and on and on
this demon is taking measures

Watch Out
I’m bleeding
Watch Out
I’m bleeding
This time I’m leaving
Running form you
This time I’m leaving
