Ava Max, So Am I

Do you ever feel like a misfit?
Everything inside you is dark and twisted, but it's okay to be different
'Cause baby, so am I
so am I, so am I, so am I

Can you hear the whispers all across the room?
You feel her eyes all over you like cheap perfume
You're beautiful, but misunderstood
So why you tryna be just like the neighborhood?

I can see it
I know what you're feeling
so let me tell you about my little secret
I'm a little crazy underneath this
underneath this

Do you ever feel like a misfit?
Everything inside you is dark and twisted, but it's okay to be different
'Cause baby, so am I
so am I, so am I, so am I
Do you ever feel like an outcast?
you don't have to fit into yhe format, but it's okay to be different
'Cause baby, so am I
so am I, so am I, so am I

So, dressed so fancy like Sid and Nancy
walking Killer Queen gotta keep 'em guessin'
So baby come pass me a lighter
we're gonna leave 'em on fire
we're the sinner and the blessings

I can see it
I know what you're feeling
so let me tell you about my little secret
I'm a little crazy underneath this
underneath this

Do you ever feel like a misfit?
Everything inside you is dark and twisted, but it's okay to be different
'Cause baby, so am I
so am I, so am I, so am I
Do you ever feel like an outcast?
you don't have to fit into yhe format, but it's okay to be different
'Cause baby, so am I
so am I, so am I, so am I

you're king and you're the queen
you're strong and you're weak
you're weak
you're bound but so free
so come and join me
and call me Harley
and we'll make a scene

Do you ever feel like a misfit?
Everything inside you is dark and twisted, but it's okay to be different
'Cause baby, so am I
so am I, so am I, so am I
Do you ever feel like an outcast?
you don't have to fit into yhe format, but it's okay to be different
'Cause baby, so am I
so am I, so am I, so am I
