David Guetta & Showtek, Your Love

All I can speak is the truth
Anyone can see there's a fire in you
Come let out your heart
If you wanna be free
Show me your love
Show me your love

All I can speak is the truth
Anyone can see there's a fire in you
Come let out your heart
If you wanna be free
Show me your love
Show me your love

Show me your love
Show me your love
Show me your love
Show me your love

All I can speak is the truth
Anyone can see there's a fire in you
Come let out your heart
If you wanna be free
Show me your love
Show me your love

Show me, show me your love
Show me, show me your love
Show me, show me your love
Show me your love

Show me your love
Show me your love

Show me your love
Show me your love

All I can speak is the truth
Anyone can see there's a fire in you
Come let out your heart
If you wanna be free
Show me your love
Show me your love
