Daria Barszczyk, Freedom in you

Ray of sunlight is
right on my face
even of the cloudiest days
and I know
I know, I know
that’s why I’m always here
to dreaming, blooming, smiling

Freshening through the day

freedom’s in your mind
you always have a choice
don’t be afraid
don’t run
embrace it and fly
reach the sky

life is unlike blank
slate anymore
crumpled
full of mistakes
and wounds
and tell me
tell me, tell me
what’s the point of this
once there now gone
take them by both hands

freedom’s in your mind
you always have a choice
don’t be afraid
don’t run
embrace it and fly
reach the sky
