Avicii, Seek Bromance

I've been watching you
you've been hurting too
you give all your love
nothing left to show
I have been there too
alone in my despair
watching life goes by
no one who to share
but I got something good
I will treat you good
in every way
you will never feel alone
my touch is such a rush
it over-flows

I will give to you
the love you seek and more
you're what I'm waiting for
I will give to you
the love you seek and more
you're all I really need

I will give to you
the love you seek and more
you're what I'm waiting for
I will give to you
the love you seek and more
you're all I really need

I will give to you
the love you seek and more
you're what I'm waiting for
I will give to you
the love you seek and more
you're all I really need

I will give to you
the love you seek and more
you're what I'm waiting for
I will give to you
the love you seek and more
you're all I really need

baby here we are
standing face to face
just the 2 of us
locked in your embrace
now I got it bad
but you got something good
in every way
are you ready?
I can feel your passion
and your love it over-flows

I will give to you
the love you seek and more
you're what I'm waiting for
I will give to you
the love you seek and more
you're all I really need

I will give to you
the love you seek and more
you're what I'm waiting for

I will give to you
the love you seek and more
you're all I really need

I will give to you
the love you seek and more
you're what I'm waiting for
I will give to you
the love you seek and more
you're all I really need

I will give to you
the love you seek and more
you're what I'm waiting for
I will give to you
the love you seek and more
you're all I really need
