Die Antwoord, BANANA BRAIN

[Hook: Yolandi]
Banana brains, you're the apple of my eye
Stay with me tonight
'Cause I'm having the best time of my life
Banana brains, you're the apple of my eye
Stay with me tonight
'Cause I'm having the best time of my life

[Drop: Yo-Landi]
Made by God

[Verse 1: Ninja & Yo-Landi]
(Ninji...)
Baby girl, you so fine
So so fine, you blow my mind
Look at you, coochie coo
Juicy, tushy, gushy goo
Booby one, booby two
Bouncin' like a Looney Tune
Booty boomin', cookie juice
Gushin' out your coochie boo
You're so cute, like Pikachu
Ain't no one so sweet like you
I was sad, then you sneaked into
My lonely heart like peek-a-boo
Now every time I think of you not by my side I dry my eye
Just wanna sing lullabies to my little butterfly

[Hook: Yo-Landi & Ninja]
Banana brains, you're the apple of my eye
Stay with me tonight
'Cause I'm having the best time of my life
Banana brains, you're the apple of my eye
Stay with me tonight
'Cause I'm having the best time of my life
Turn up!
Banana brains, you're the apple of my eye
Stay with me tonight
'Cause I'm having the best time of my life
Banana brains, you're the apple of my eye
Stay with me tonight
'Cause I'm having the best time of my life

[Verse 2: Yo-Landi]
Baby boy, you so cool
How can I stay mad at you?
I love you and that's the truth
You so silly, you so stupid
You the best, I never want you to stress
Everything gonna be cool, wait and see
Just hold my hand and stay with me

[Bridge: Ninja]
B-B-Baby girl, you been there for me
Through thick and thin with cool energy
You cared for me, yeah, defended me
Helped me defeat my e-e-enemies
Life is weird, it keeps testing me
No other girl in the world impressing me
Like you do, you voodoo fresh to me
You just wanna be different, get the best of me
Everything's meant to be, you were sent to me
You and me got wild destiny
You're like a little angel won't ever pressure me

E-e-everything you do's so zef to me
I love it that you best friends with me
I just wanna treat your heart carefully
'Cause everyday I feel blessed to be
The one chillin' with you right next to me

[Hook: Yo-Landi]
Banana brains, you're the apple of my eye
Stay with me tonight
'Cause I'm having the best time of my life
Banana brains, you're the apple of my eye
Stay with me tonight
'Cause I'm having the best time of my life

[Refrain: Yo-Landi]
Stay with me tonight
Stay with me tonight
Stay with me tonight
'Cause I'm having the best time of my life

[Outro: Yo-Landi & Ninja; Yo-Landi]
I love your energy! (The best time)
I love it that you're there for me! (The best time)
