Avicii, You Be Love (ft. Billy Raffoul)

it’s you and your world
and I’m caught in the middle
I cut the edge of the knife
and it hurts just a little

and I know /4x
that I can’t be your friend
it’s my head
or my heart and
I’m caught in the middle

my hands are tied
but not tied enough
you’re the high that I can’t give up
oh Lord, here we go!

myself tomorrow
but I’m on my way tonight
I might hate
and the bottom of a bottle
you’re the poison um the wine
and I know
I can’t change you
and I
I won’t change
myself tomorrow
but I’m on my way tonight
let’s be lonely together
