

Alok & BLOODLINE, Another You (feat. The Vamps)

Am i to blame
Is leave me lonely
Written on my face
„did i try too hard
To make you stay?”

guess i let my hope
get high again
You say that you love me
But you don't mean it
You're touching my body
But i don't feel it

Got so many
Questions in my head
Nightmares i my bed
From you
From you

I've ecried enough
Tears over us
cos
there's so many flames
under the sun

if you dont want me beby
you dont want me beby
if tyou are not the one
i will find me
Another You
