

# Alt-J, Adeline

My Adeline,  
Down in Tasmania  
Where the devil's jaws are far too weak  
To tear you wawy

I wish you well /4x

My Adeline,  
I watch your morning swim again  
Cold from the blue sky  
Stroke form passing mopeds  
My sweet Adeline

I wish you well /4x

My Adeline,

And the Auld triangle  
Went jingle-jangle on the Royal Canal  
My Adeline was swimming  
Sweet Adeline was singing  
To the tune of Royal Canal

Swim  
Swim on /3x  
/2x

And the Auld triangle  
Went jingle-jangle on the Royal Canal  
My Adeline was swimming  
Sweet Adeline was singing  
To the tune of Royal Canal

I wish her well /4x
