Doja Cat, Often

[Intro]
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh

[Refrain]
You must do this often
You must do this often
You must do this often
You must do this oh, oh, oh, oh, oh

[Verse 1]
Baby, it's so tellin'
What you can do
It's a simple understandin'
Between me and you
Oh, because

[Chorus]
'Cause when you run your tongue up my thigh
I can't help but wonder, hmm, why
You got so much more up yo' sleeve
You wanna make sure I don't leave
I won't and what is this now?
You must make your daddy so proud
Way you bump and grindin' on me
You got more than somethin' I need

[Refrain]
You must do this often (Practice on me or perform)
You must do this often (Because I really want more)
You must do this often (Makin' my way to your door)
You must do this oh, oh, oh, oh, oh

[Verse 2]
I just wanna watch us again
And over again
Superstar, professional
You already read the room
I wanna do intervals
Let that soak in

[Chorus]
'Cause when you run your tongue up my thigh
I can't help but wonder, hmm, why
You got so much more up yo' sleeve
You wanna make sure I don't leave
I won't and what is this now?
You must make your daddy so proud
Way you bump and grindin' on me
You got more than somethin' I need

[Outro]
Oh
Oh, oh
Oh, mm
Oh, oh, oh, baby, mm
