Banx & Ranx + Ella Eyre, Answerphone (ft. Yxng

I've been talking yo tour answerphone
something tell me you don't want to know
when I call you, you don't answer phone
you don't love me, you should let me know
yeah!

I got a feeling
I'm over thinking about thinking you're thinking of leaving
but real talk, I need some honesty
honestly, you better speak up

days, and nights, I lie beside my phone
When you gotta let me know? /2x
All I hear is
Please, leave your message after the tone
When you gotta let me know? /2x

I've been talking yo tour answerphone
something tell me you don't want to know
when I call you, you don't answer phone
you don't love me, you should let me know
let me know!

man down
said it was nothing but nothing is all that we have now
and now I found out that you got a problem
a problem you don't wanna talk about

days, and nights, I lie beside my phone
When you gotta let me know? /2x
All I hear is
Please, leave your message after the tone
When you gotta let me know? /2x

I've been talking yo tour answerphone
something tell me you don't want to know
when I call you, you don't answer phone
you don't love me, you should let me know
let me know!

Ringing up my my line
and that leads me to overthink
see you in the club last night
led me to overthink
let me fall for you
you know I'm on the brink
let me know how deep your love goes
don't save me, let me say:

days, and nights, I lie beside my phone
When you gotta let me know? /2x
All I hear is
Please, leave your message after the tone
When you gotta let me know? /2x

I've been talking yo tour answerphone
something tell me you don't want to know
when I call you, you don't answer phone
you don't love me, you should let me know
let me know!
