All of this winning
I‘ve been losing my mind
Hold on, baby
Don’t try to
Slow me down

You gonna need an actress when I lose the boy

Mouth talking dirty but my lips so clean
I’m about it like a bumper car sticker
Better make a smile
When you see that bitch pull up

Money don’t make me happy
And a fella can’t make me fancy
We smiling for a whole another reason
It’s all smiles through all 4 seasons
