Dua Lipa, The Hills

Your girl on the road, she doin' promo
You said, "Keep our business on the low-low"
I'm just tryna get you out the friend zone
Cause you look even better than the photos
I can't find your house, send me the info
Drivin' through the gated residential
Found out I was comin', sent your friends home
Keep on tryna hide it but your friends know

I only call you when it's half past five
The only time that I'll be by your side
I only love you when you touch me, not feel me
Cause I'm messed up, that's the real me
Cause I'm messed up, that's the real me, babe
I only love you when it's half past five
The only time I'd ever call you mine
I only love it when you touch me, not feel me
Cause I'm messed up, that's the real me
Cause I'm messed up, that's the real me, babe

I'ma let you know and keep it simple
Tryna keep it up don't seem so simple
You said, "Keep our business on the low-low"
You gon' have to do it at my tempo
Always tryna send me off to rehab
Love started feelin' like it's decaf
I'm just tryna live life for the moment
While everybody else just want a relapse

I only call you when it's half past five
The only time that I'll be by your side
I only love it when you touch me, not feel me
Cause I'm messed up, that's the real me
Cause I'm messed up, that's the real me, babe
I only love you when it's half past five
The only time I'd ever call you mine
I only love it when you touch me, not feel me
Cause I'm messed up, that's the real me
When I'm messed up, that's the real me, babe

The hills have eyes, the hills have eyes
Who are you to judge, who are you to judge? Hey
Hide your lies, hide your lies
Only you to trust, only you

I only call you when it's half past five
The only time I'd ever call you mine
I only love it when you touch me, not feel me
Cause I'm messed up, that's the real me
Cause I'm messed up, that's the real me, babe
I only love it when it's half past five
The only time I'd ever call you mine
I only love it when you touch me, not feel me
Cause I'm messed up, that's the real me
When I'm messed up, that's the real me, babe
That's the real me, babe
