Beauty To Ashes, Abba

When I was born, to the flesh of this world
Brought tight into the dark
Lead the blind so they can see
Abba Father
You died upon the cross
Heart stopped upon the wood
Your blessings are for me
Abba Father
Why do I deserve a love that reaches towards the heavens?
Why? I do believe
But why'd you die for me?
I do believe
Born, lived, died
Father, forgive me, Father
Purity, wash me.
