Bebe Rexha, Die For A Man (feat. Lil Uzi Vert)

If you ever were to say goodbye
Wouldn’t fret i wouldn’t ever cry
And if you decided you didn’t love me anymore
That’s alright, that’s alright

Cuz i would never die for a man
die for a man, die for a man
i would never cry for a man
cry for a man, cry for a man
change who i am
even if i loved him
hopelessly adored him
you should know that i
i would never die for a man

i used to think that i needed a guy
to help me navigate this frightening life
and every time they broke my heart
i thought that i would die
but i survievd
i am alive

i would never die for a man
die for a man, die for a man
i would never cry for a man
cry for a man, cry for a man
change who i am
even if i loved him
hopelessly adored him
you should know that i
i would never die for a man

i would never , i would never die
i would never , i would never die
i would never die for a man
i would never , i would never die
i would never , i would never

[LUzi]
i would never die for a woman
cuz woman got other man too
i only die for my gang
that;s the only way i would die for the money
if the shit was all blue
cuz i am on the whole other level
and my thinging when i come to this life
i cna’t ever change
(…)
But that’s ok
Cuz when i wake up
I been tired of sneakes

Cuz i would never die for a man
die for a man, die for a man
i would never cry for a man
cry for a man, cry for a man
change who i am
even if i loved him
hopelessly adored him
you should know that i
i would never die for a man

i would never , i would never die
i would never , i would never die

i would never die for a man
i would never , i would never die
i would never , i would never
