

Anna Calvi, Whip The Night

I Whip The Night
I Whip The Night
I Whip The Night
I Whip The Night
I Whip The Night

Dreaming!
Dreaming!

I ___ the day
I ripped

Shoot the ___
Shoot the Moon

Crack the day in the night

I Whip The Night
I Whip The Night
I Whip The Night
I Whip The Night
I Whip The Night

I skip the day
I swift the night
I find the flame
And star the storm
Abide the ___
___ the demon

I Whip The Night
I Whip The Night
I Whip The Night
I Whip The Night
I Whip The Night

I feel alone in the dark
You should have known with the light

I Whip The Night
I Whip The Night
I Whip The Night
I Whip The Night
I Whip The Night

I'm throwing
All exploding
___ are folding
I'm exploding
