Dua Lipa, Swan Song

[Verse 1]
I, I can't lie
I'm scared to open my eyes
'Cause what if I find nothing at all
Nothing at all

What is the point of my lips
If they don't make noise, ah
What is the point of doing nothing at all
Watching it fall

[Pre-Chorus]
The flicker burning
You know the time's running, running out
Only I see all the diamonds, diamonds
Breaking down
I won't stay quiet, I won't stay quiet
Cause staying silent is the same as dying
I won't stay quiet, the flick is burning low

[Chorus]
This is not a, this is not a
Swan, swan song
This is not a, this is not a
Swan, swan song
We just gotta, we just gotta hold on tonight
This is not a, this is not a
Swan song, swan song
Swan dive (yeah)
It's a new life

[Verse 2]
Real fantasy
Wishing it was make believe
What is the reason of doing nothing at all
Watching it fall

[Pre-Chorus]
The flicker burning
You know the time's running, running out
Only I see all the diamonds, diamonds
Breaking down
I won't stay quiet, I won't stay quiet
Cause staying silent is the same as dying
I won't stay quiet, the flick is burning low

[Chorus]
This is not a, this is not a
Swan, swan song
This is not a, this is not a
Swan, swan song
We just gotta, we just gotta hold on tonight
This is not a, this is not a
Swan song, swan song
Swan dive (yeah)
It's a new life

[Chorus]
This is not a, this is not a
Swan, swan song
This is not a, this is not a
Swan, swan song
We just gotta, we just gotta hold on tonight
This is not a, this is not a

Swan song, swan song
Swan dive (yeah)
It's a new life
