Bebe Rexha, Self Control

[Chorus]
Got no self control
And I don’t mean cigarettes and alcohol
'Cause when it comes to you, I can’t say no
I don't want a taste, I want it all

[Verse 1]
When I get your call, I'm out the door, not a minute more
Like an animal, I lose control, it's illogical
Oh, oh

[Pre-Chorus]
One little kiss can turn into a thousand
One little touch and I'm gone

[Chorus]
Got no self control
And I don’t mean cigarettes and alcohol
'Cause when it comes to you, I can’t say no
I don't want a taste, I want it all
Got no self control
And I don’t mean cigarettes and alcohol
When it comes to you, I can’t say no
I don't want a taste, I want it all

[Post-Chorus]
Na na na na na na
Na na na na na na na
Na na na na na na
Na na na na na na na
Na na na na na na
Na na na na na na na
Na na na na na na
Na na na na na na na

[Verse 2]
I'm so predictable, fall every time, ain't it pitiful?
And it's not enough, I try to quit, but I'm giving up
Oh, oh

[Pre-Chorus]
One little kiss can turn into a thousand
One little touch and I'm gone

[Chorus]
Got no self control
And I don’t mean cigarettes and alcohol
'Cause when it comes to you, I can’t say no
I don't want a taste, I want it all
Got no self control
And I don’t mean cigarettes and alcohol
When it comes to you, I can’t say no
I don't want a taste, I want it all

[Post-Chorus]
Na na na na na na
Na na na na na na na
Na na na na na na
Na na na na na na na

[Bridge]
And the hunger grows
I'm craving you and my body knows
'Cause it wakes me up

Heart through my chest, this could be love (this could be love)

[Pre-Chorus]
One little kiss can turn into a thousand
One little touch and I'm gone

[Chorus]
Got no self control
And I don’t mean cigarettes and alcohol
'Cause when it comes to you, I can’t say no
I don't want a taste, I want it all
Got no self control
And I don’t mean cigarettes and alcohol
When it comes to you, I can’t say no
I don't want a taste, I want it all

[Post-Chorus]
Na na na na na na
Na na na na na na na
Na na na na na na
Na na na na na na na
