Ed Sheeran & Elton John , Merry Christmas

Build the fire
Gather around the tree
Fill the glass
And maybe come and sing with me

So kiss me under the mistletoe
Pour some wine and taost on Santa Clouse
I know there’s been pain this year but it’s time to let it go
Next year you never know, but for now
Merry Christmas

We’ll dance in the kitchen while embers glow
We’ve both known love, but this love that we got is the best of all
I wish you could see you through my eyes then you would know
My god you look beautiful right now
Merry Christmas

The fire is raging on
And we’ll all sing along to the songs
Just having so much fun
While we’re here can we all spare a thought for the ones who have gone
Merry Christmas everyone

So just keep on kissing me under the mistletoe
Pour some wine and taost on Santa Clouse
I know there’s been pain this year but it’s time to let it go
Next year you never know, but for now
Merry Christmas

We’ll dance in the kitchen while embers glow
We’ve both known love, but this love that we got is the best of all
I wish you could see you through my eyes then you would know
My god you look beautiful right now
Merry Christmas

I feel it when it comes
Every year helping us carry on
Filled up with so much love
All our family and friends are together where we all belong
Merry Christmas everyone

It’s Christmas time for you and I
We’ll have a good night and a Merry Christmas
